

September 2023

ATTENTION COMMUNITY CONTRIBUTOR

Chocolate Milk Café National, Inc. announces our **Fueled by Chocolate Milk** virtual fundraising kick off event on **National Chocolate Milk Day!**

Chocolate Milk Café National, Inc., a 501(c)(3) non-profit organization, is devoted to normalizing human milk feeding in the Black community through advocacy, education, and peer-led support. This year, we are focusing our fundraising efforts around one distinct initiative - **Fueled by Chocolate Milk** - to promote our organization's programming and unique position within the lactation community. Our goal is to raise \$10,000.

On **Wednesday, September 27, 2023, from 7-10pm Eastern**, we will host our first official fundraising event designed to engage our community and allies (1) in the work we have done over the past 3 years, (2) the ongoing work that keeps our network functioning, and (3) our future endeavors. We invite you to participate by attending our virtual event.

During this event, you will learn about our core programming at the local and national levels. There will be a raffle of **Chocolate Milk Café** gear and exclusive gift sets that highlight our family-centered initiatives. Visit our event page at chocolatemilkcafe.org/event/national-chocolate-milk-day-23 to register to attend and learn more about our awesome prizes.

If you would like to contribute in-kind donations to our raffle, email us at fundraise@chocolatemilkcafe.org.

To make a donation to our **Fueled by Chocolate Milk fundraiser** and help us reach our \$10,000 goal, visit chocolatemilkcafe.org/ncmd.
